

On December 22, 2016 a group of Holocaust survivors gathered for their monthly Café Europa, an event where Survivors share stories, socialize, and meet other Survivors. This month, the Survivors were in for a real treat. We kicked off the Hanukkah themed celebration with some singing and dancing by students of RJA (Rockland Jewish Academy). Following the latkes, Survivors were surprised and gifted beautiful hand knit Afghans on behalf of the Wanaque Happy Hookers. We ended with a special performance by Nancy Feldman and her pianist, Beth. There were smiles, singing, and even some dancing! It was indeed quite the event and we look forward to what next month (January 19) has to bring.
